

ROMPSTERS SUGGESTED ESSENTIALS LIST (and more) FOR TRAVEL

WATER - carry more than you think you will need and resupply as you go to ensure you always have plenty

FOOD - pack more than you need especially if you cannot find your animal's current food conveniently. Changing your pet's diet while traveling is not recommended so as to ensure your animal's digestion is not disturbed.

TREATS

MEDICINE - inquire with your veterinarian before you go what you should do if you run out of supply or lose the medicine while you are away
